Hi Lisa,

Thank you for your response and being available to help with the mine spill.

The site ID for you to put into your TA as well as People Plus:

The Gold King Mine site ID is: A6LS

Please prepare your TA as if you were traveling for regular work and use your gov't card. In the front of the TA, please make note of this site ID. In the accounting, the site ID will be selected.

Cynthia Brown (214-665-9705) is available to answer questions you might have on travel and PeoplePlus.
